

# LABYRINTH

We invite you to take a contemplative walk.  
To think about water and what it might mean to you.

thirst          cloud          puddle          freeze  
save    culvert          snow    dry          joy  
divert    waste    wash    flow    trickle    rush

wave          irrigate          meander

bath          flood

clean  
slide          roar  
ski          rinse  
sea          snow

ice          river          sail

paddle    tears

babble

silence

drip
